DELIVERY & COLLECTION

Steel Delivery

Next day steel delivery is possible on most orders for delivery to Lancashire, Yorkshire, Manchester, Cheshire. Deliveries or carriage to other areas of the UK can be arranged with the sales team.

Delivery is free of charge, all our products are covered and protected against wet weather.

Our fleet of over 14 dedicated K Steels flat bed lorries have experienced and helpful drivers dispatching from two warehouse sites in the North of England. This allows for a wide range of delivery options to suit your needs. Constant upgrades to our fleet ensure that our vehicles are fuel efficient and reliable.

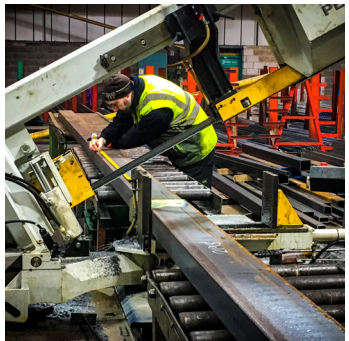

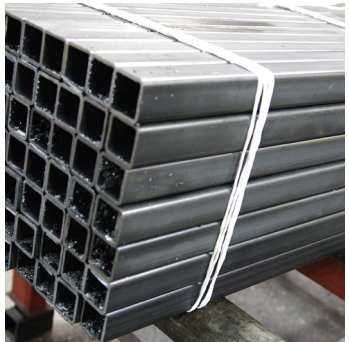

Steel Collection

- Useful alternative to delivery
- Collection is possible between 9.15am and 4.00pm

If you require your steel immediately then collections are available from both K Steels sites and can be arranged when you place your order.

STEEL CUTTING

We offer a precision cutting service to further meet your needs available at both K Steels Lancashire and K Steels Yorkshire. Whether it's for single or multiple cuts please contact the Sales Team for all enquiries. We can offer a quick turnaround in most cases, usually available for next day delivery or collection the same day.

NON-FERROUS METALS

Our knowledgeable and experienced buyers are also able to source other items such as stainless, aluminum, brass and copper as required. We offer competitive prices and a quick turnaround.
